

Support the River Dee Trust by
**sponsoring a special gift
that keeps growing**

Single

Bouquet

Your gift will help nourish nature

Your tree will be a sapling of a species that grows naturally on Deeside.

Our commitment to plant One Million Trees

In 2020 the River Dee Trust launched a campaign to plant #OneMillionTrees by 2035

Trees are amazing!

TREES

- help increase biodiversity in the Dee catchment.
- provide cooling shade to save threatened species.
- reduce water temperature to protect young fish.
- stabilise the riverbank in times of flood.
- drop their leaves providing a food source for insects and birds.
- restore nourishment to a rich web of life.

Help us to plant #OneMillionTrees by 2035

Native tree species

Alder

Aspen

Birch

Rowan

Scots Pine

Willow

#OneMillionTrees

Visit our
online store
to gift a tree

Single £10 / Bouquet £75

Receive an email with digital tree gift certificate (eCard) confirming sponsorship to print and present as desired.

How it works

Order and pay

Receive via email:
Digital tree gift
certificate (eCard)

We will assign
a tree/s to you

How Can you Help?

Purchase a gift of trees.

Join in one of our volunteering days.

Ask your employer to enquire about the River Dee Guardians Scheme.

Spread the word about our award winning #OneMillionTrees campaign.

Together we can make
a difference for all wildlife
and communities
